To

The General Secretary
to the Government of H.H.
the Maharaja of Mysore, Bangalore.

Sir,

With reference to your official Memorandum No.G. 10182 Med. 23-27-11, dated 6th March 1928 forwarding for disposal, the petition received from Messrs. Mahomed Hussain and others of Goribidnur praying for the retention of Sub Assistant Surgeon Mr. Ramachar at the place, I have the honour to state that the Sub Assistant Surgeon who was at Goribidnur for three years and four months had to be removed from the place as a punishment for the unsatisfactory condition in which he had kept the dispensary as found by me at my inspection. (vide copy of my inspection notes enclosed). The petitioners have been informed accordingly in my letter No.C.1834-3, dated 30th January 1928 in reply to a similar petition addressed to me.

I have the honour to be,
Sir,
Your most obedient servant,

B Mahomed

Senior Surgeon.

Senior Surgeon's remarks recorded in the Minute Book of the Local Fund Dispensary at Goribidnur.

Paid a surprise visit and inspected the dispensary. Sub Assistant Surgeon was absent and the Compounder was prescribing.

The Dispensary and the premises were kept in a filthy condition. Everything was in confusion in the dispensary. In the dressing room there was a cycle on a stand when there was hardly any room for dressing the patients.

The compounding table was kept very dirty. Stock mixture bottles had not been cleaned for days and the labels were full of stain. None of the measure glasses were clean. Compounding table drawers were full of rubbish and in one of them, Magnesium Sulphate, linseed, and poppy heads were all mixed up. Weighing scales were not in order and the glass pan had not been replaced.

Compounder:- The Compounder betrayed ignorance in his work. He was not able to tell either the dosage of the drugs or the strength of the ordinary daily use preparations. Compounder is here for over sven years. He is fined Re.1/- for neglect of duty.

Midwife:- Has a fair knowledge of her work. She has conducted more than the prescribed number of labour cases. Nevertheless, she needs coaching to brush up her subject and come up to the mark.

In-patients:- The in-patient ward was in a very filthy condition Although a circular was issued long ago, to fix one day as a General Cleaning day, it appears to be a dead letter with this Sub Assistant Surgeon. None of the instructions issued in that letter appears to have been carried out by this Sub Assistant Surgeon.

There was one in-patient undergoing treatment for injury. I pity this poor patient for the treatment he was receiving. He was lying on a cot with a gunny bag for his bed with a dirty panche spread over it, although the dispensary has been provided with enough bedding and clothing. No lamp was provided. I daresay

General Secretary to the Government of His Highness the Maharaja of Mysore.

To

B. Mahomed Usmon Esq., L.M.&S.,
Senior Surgeon in Mysore.

Sir,

With reference to your letter No. G.C.371-2 dated 12th March 1928 forwarding a statement showing the date on which each Medical officer of the Department was posted to his present charge, I am directed to request that a similar list should be prepared ~~for~~ and keep in your office for L.M.P's also for watching their transfers. Whenever transfers are necessary earlier than as provided in this office letter No. G.11424/Med. 47-26-36 dated 27th April 1927 reasons should be assigned therefor and the previous sanction of Government obtained before giving effect to such transfers. In ~~higher~~ urgent cases where delay in obtaining sanction would be seriously detrimental, a transfer may be made in anticipation of sanction and reported immediately.

I have the honor to be,

Sir,

Your most obedient servant,
